Top Medicare Part D Drugs

Top 100 Drug List (by rank) with Pharmacy Pricing†

This is a list of 100 drugs commonly used by seniors. Below are the copay tiers for each of the Aetna Medicare formularies and drug price as of October 2013. Drug price is based on Medicare Plan Finder data and is the average price of four national chains based upon default strength and dosing. Actual costs may differ. This list is for illustrative purposes only and does not display all covered drugs. For a complete listing of drugs, members should refer to the comprehensive formulary guide.
